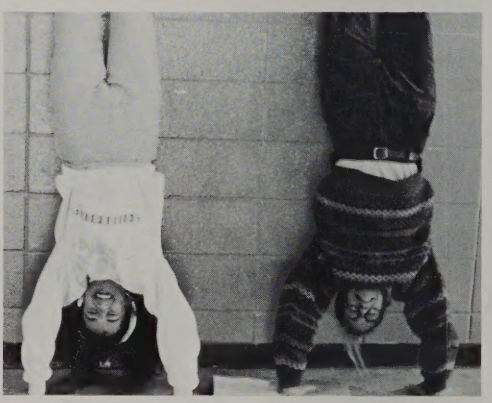
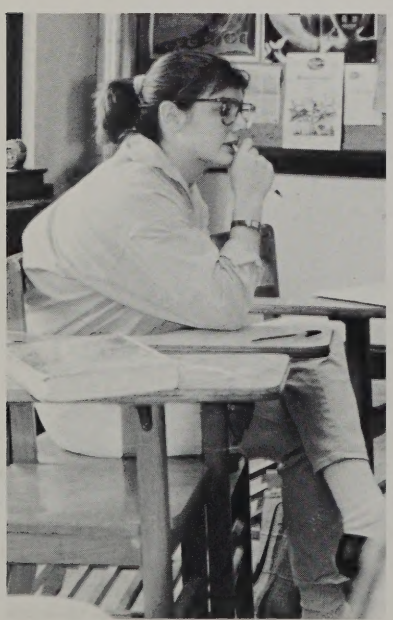
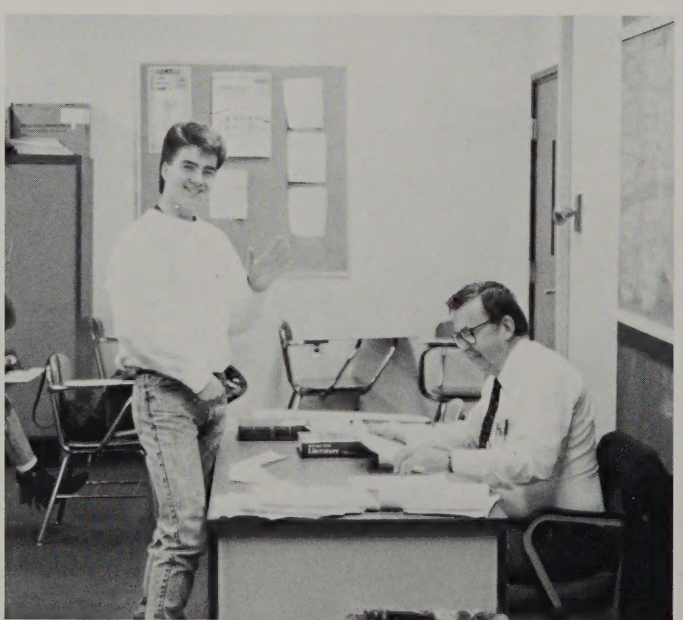
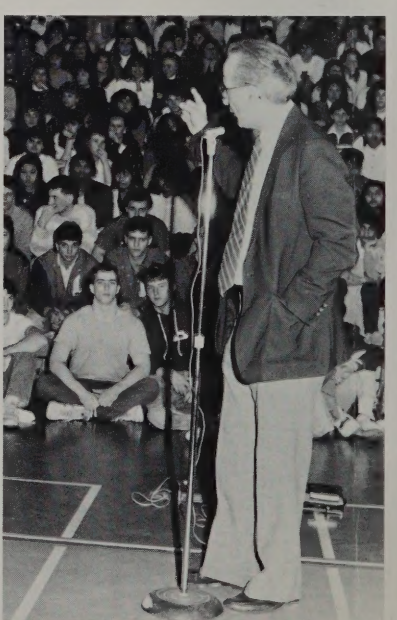
Graduation









We are about to bid fairwell to Lowell High. Some of our best memories will be of the past four years. Variety, adventure and challenges filled our days here. We won WXKS School Spirit contest, cheered on our teams, enjoyed the annual musical listened to the band took pride in our star scholars and mixed with fellow students from diverse backgrounds. All in all, we stepped through senior year with grace and style.

This book is dedicated to everyone who made the class of 1988 and Lowell High the best they could be — the students who worked hard to be a credit to the city of Lowell — the teachers who did not disappear at the 1:50 P.M. bell, but helped us with a problem, gave us advice or inspired us to dream of the seemingly impossible — the administrators who guided students and staff through our four years at Lowell High.

DANCING THE

The LHS Officers' Harvest Dinner Dance was held at the Windsor Mills Restaurant on Saturday, November 21st. Even though there had been rumors that there would not be enough room, over 200 couples (plus a few stragglers?) danced the night away to music supplied by our very own Lowell High School DJ Francisco Maldonado.

PEP RALLIES

The annual fall outdoor pep rally was held in September to recognize and encourage all the participants in fall sports. It was held in Lucy Larcom Park. The band and cheerleaders were present to drum up school spirit. Senior class president Tina Coulouraaas and Head Loudmouth Andrea Mitchell emceed the event. Each varsity team was called up to the concert platform. The coaches or captains introduced all the athletes by name and then asked the crowd for their support. Sounds of music and enthusisatic cheers filled the air.

Our next rally was staged in the field house prior to the traditional Thanksgiving Lowell/Lawrence football game. Confetti and pom poms were in abundance. Coach Nelson presented each member of his squad and the cheerleaders performed in inimitable fashion to a standing room only crowd.

March saw a rally, held to psych up the student body on behalf of the boys'basketball team. The Raiders were to meet Durfee High School at Boston Garden in the semi-final game of the Division I State Tourney. As LHS fans eagerly cheered the players on, Coach Ryan led them in the singing of the school's fight song, while the cheerleaders presented their award winning dance routine.

HOMECOMING

Lowell High's game against Dracut was a heartbreaker for the Raiders, but even this disappointment did not put a damper on the celebration of Homecoming. The pre-game tradition of introducing the senior football players was held to acknowledge the support which parents give to the team during the season, each and every year.

At halftime, Homecoming Queen, Lisa Marcotte, was crowned by last year's Queen, Jennifer Desmond. Mrs. Donna Leahey, president of the Friends of Lowell High School, presented trophies to the Court, consisting of Junior Marybeth Sullivan, Sophomore Elizabeth Sheeh and Freshman Debbie Lamarre.

THIS IS IT!!

This is it, This is our Time

Time for us to move on

This is it, This is our time

A time for us to stand strong

In our lives ahead, we may find some hard times

When it seems like there's nothing we can do
Time for us to move on

This is it, This is our time

A time for us to stand strong

In our lives ahead, we may find some hard times

When it seems like there's nothing we can do

But together I think we can make it

If we all help each other pull through
This is it, this is our time

Our day for laughter in the sun

This is it, this is our time

To look back on all the things we have done

As we say good bye to the school we've called our own,

Let's take the time to realize

That we've come a long way just to get here

So now let's show the pride that's in our eyes.

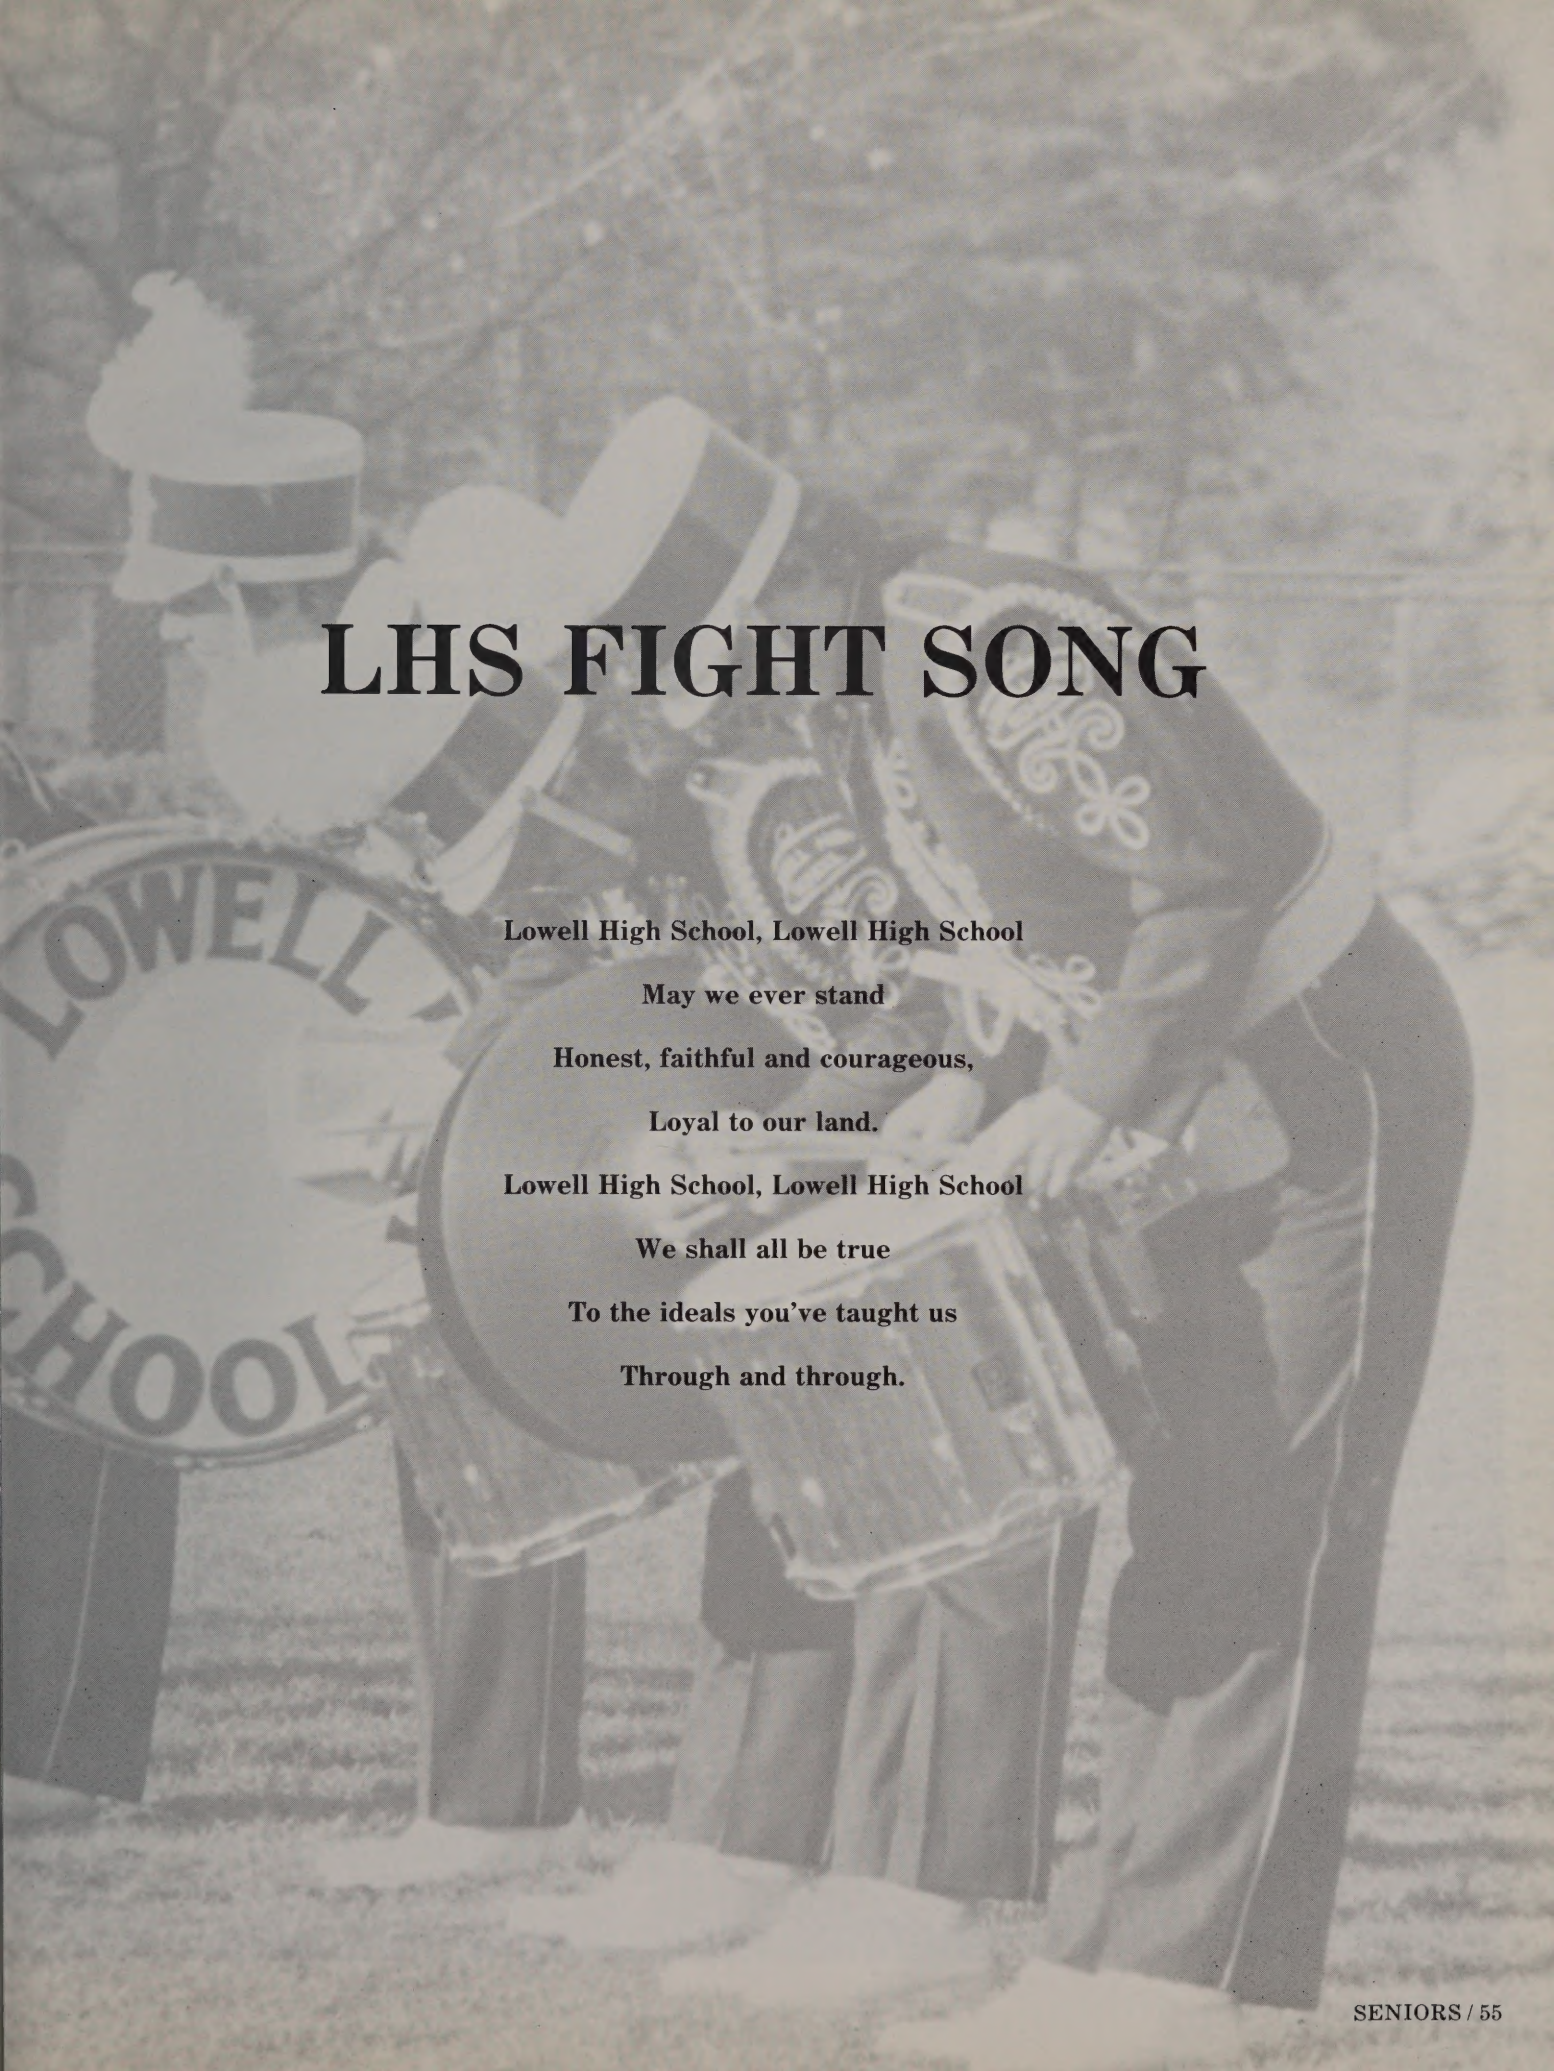
This is it, this is our time

Take each other by the hand,

This is it, this is our time.

Let's go out there and show 'em that we can.

Words and music by Thomas Fetters.



LHS FIGHT SONG

Lowell High School, Lowell High School

May we ever stand

Honest, faithful and courageous,

Loyal to our land.

Lowell High School, Lowell High School

We shall all be true

To the ideals you've taught us

Through and through.

FACULTY, 88

The motto of your graduating class is:
"Grant Us the Courage to Change the Things We Can"

The power of this message and the altruism it evokes challenges you as you shape the future roles you will play in society. We trust that you have gained the intellectual skills to be good productive citizens, and that you have gained an awareness of the issues confronting our community and the nation-at-large. These issues and the role you will play in dealing with them, present for you unlimited career opportunities. Fulfill your potential, expand your skills, share in the promise of America and keep it a productive and strong nation for the good of its people and for the world.

May your futures be healthy, happy, and gratifying..

We wish you well!!!

IN MEMORIAM

This school year had its measure of sorrow. Three faculty members died --- three men who had served the students of Lowell High with caring and dedication --- Arthur O'Neill, William Notini and Barry Cronin. Each one had his area of expertise. Each one had his unique impact on the students with whom he worked.

"Those we hold most dear never truly leave us ... They live on in the kindnesses they showed, the comfort they shared, and the good they brought into our lives." ---Isabel Norton.

RETIREES

The LHS Class of '88 moved on to bigger and better things in June. So too, we hope, did seven faculty members who left Lowell High School with us. Their combined years of service totaled 201. They taught in various disciplines and worked in various positions. We hope that they will remember us with affection, because that is how we will remember them. We want to thank them for their hard work on our behalf, for extending friendship when we needed it, for listening when we wanted to be heard, for being patient when it might have been difficult, for being firm when we would have preferred it otherwise. Good bye, good luck and God bless you all!

RAIDERS RETURN TO GRIDIRON

"FRUSTRATING" This one word describes the 1987 Football season. Exploding onto the field at the beginning of the season, Coach Nelson's squad held Haverhill to a scoreless tie, defeated Central Catholic and beat Tewksbury on their home field — an accomplishment with no precedent. They were even picked by some to defend their MVC Championship; but from this point on, it was all downhill. Major losses to Dracut and Billerica broke the momentum. Quarterback Bill Rizos was injured, forcing the team to shift gears in the middle of the season. The next two losses to Chelmsford and Andover were hardly morale boosters.

The dispirited Raiders managed to salvage this frustrating season at Cawley Stadium with a spectacular come from behind at the last second Thanksgiving victory over Lawrence 7-6. Even though it was not a red-letter season, the memory of this win guaranteed happy memories for everyone.

Captain Eric Nelson was a Boston Herald All-Scholastic All Star and along with Tom Lafferty, a Lowell Sun All Star.

ONLY A KICK AWAY

The boys' soccer team got off to an impressive start under the direction of Coach Lucas Carvalho and Tri-Captains Lucas Carvalho, Tony Lapa and Jim Young. They had only one loss after the first eight games. The momentum was broken by losses to Tewksbury and Billerica
and a tie game with Dracut. However the team did qualify for the State Tournament. Leading scorers were Mike Silva and Jim Young. Gonzalo Caicedo played a key role as goalkeeper. MVC All-Stars were Lucas Carvalho, Louis Santos, Victor Lano and Gonzalo Caicedo. MVC All Conference All-Stars were Louis Santos and Lucas Carvalho, who was also a Boston Globe All Scholastic All Star.

JUST A KICK IN THE GRASS

Under the direction of Coach Tom Leonard and Asst. Coach Amy Bemis, the girls'soccer team had a disappointing season with a 2 - 10 record. Their outstanding performances are not reflected in the final scores. The schedule was a grueling one and every game was a tough contest. There were few losses by more than two goals. 1988 was a milestone for the girls, since this was the first year when all their home games were played at Cawley Stadium. They also played several times under the lights — both at home and away. Two seniors, Pat Bacigalupo and Capt. Krissy Largay were MVC All-Stars.

OVER HILL, OVER DALE

Co-Captains Shaun O'Brien and David Lamarre led the boys' cross country team through an undefeated season. An unusual tie occurrred in the meet against Central Catholic. David, one of the most recognized athletes at Lowell High, continued to dominate the league. Shaun, who was considered an average runner the previous year, took control of the team. Apart from dual meets, the team ran in the Division I State Meet, the Kinney Invitational Meet in Van Cortland Park, New York, the All State Meet in Northfield and the Northern Area Meet. Dave Lamarre, the only LHS runner selected to be a Lowell Sun All Star, was also named its Runner of the Year.

STRIDING FOR SUCCESS

The youthful girls' cross country team had an outstanding season, finishing 2nd in the MVC and 14th in the All-State. Led by Coach Jim McGuirk and Co-Captains Rosa Cruz and Nancy Vail, the girls won their final five dual meets and qualified for the All-State Championships, for the first time since 1981. They finished fifth in the Eastern Mass. Division I and avenged their earlier loss to Chelmsford during the regular season by placing higher than the Lions in this meet. Rosa Cruz was a Lowell Sun All Star despite missing all of September with a broken toe. MVC All-Stars were Rosa Cruz,, Laurie Tucker, Lynn Tucker and Jacki Cox.

VOLLEYBALL:

RAIDER STYLE

The season got off to a slow start. At the halfway point, a great come-from-behind victory at Tewksbury increased everyone's confidence and raised their hopes to qualify for the State Tournament.

Only two goals were set for the season — to qualify for the State Tournament and to beat Chelmsford. The Raiders went to the States but failed to defeat Chelmsford in the course of two hard played games. Oh well, one out of two was not bad.

The team was coached by Ric O'Brien and Lorraine Sprague. The Captains were Andrea Diveres and Amy McCoy. Andrea was a Lowell Sun All-Star and an MVC All-Conference All-Star. Amy, Kelley McCabe and Lissa Morrissette.

WET WADERS

The girls' swim team experienced many problems at the beginning of the season. A broken water pump at the LHS pool forced the girls to use the pools at Vesper Country Club, the Voke school and the Lowell Boys' Club. Another setback was the loss of Co-Captain Stephanie Creegan for a major portion of the season. Despite this the team did well. Eight school records were broken during the season. They placed 5th in the MVC Championship meet in which all twenty-one swimmers participated. Jen Burns, Stephanie Creegan, Kara Kouloheras and Johanna Nelson qualified for both the Northern Sectional Meet and the State Meet. At the sectionals they placed 6th, beating MVC Champs Chelmsford. At the States they placed 6th again. The medley relay team placed 4th and Jen Burns broke a ten year state record in the 100 yd. backstroke. Many veterans bettered their personal records and eleven freshman learned the ropes (and strokes). The diving team consisted of, Amy Gilligan and Ellen MacLaughlan. Though Freshmen did well.

A STORYBOOK SEASON

For the LHS hoopsters it was not the kind of year everyone expected. The Raiders had a veteran squad of solid players who supposedly did not have too much flash. They looked terrific in the pre-season Holiday Tournament but by mid-season they were in a slump. After losing four close games to Wilmington, Billerica, Chelmsford and Central, their chance of qualifying for the States looked slim. In a final burst of determination, the team rallied to win their final ten games, closed the season with a ten point win over arch rival, Central Catholic and qualified for the States.

This winning momentum was carried into the State Tournament and LHS reached the finals of the Division I North Championship against Lexington. This marked the fourth time in the last five years that the Raiders had done so. Lowell played a fantastic game and beat Lexington to win the Division I North Championship. This meant that the Eastern Mass tourney was ahead of them. The games were being played back at Boston Garden after a hiatus of sixteen years. Durfee High was to be the opponent on the famous parquet floor of the Garden.

A super pep rally was held on the day of the game before the close of school. Later, over 8,000 fans watched the game. It was a tough, frustrating contest --- tied with 3 minutes to go. Durfee hit 16 of 21 free throws during the fourth quarter to win the game.

HEAD OVER HEELS

The boys' indoor track team achieved much this year. With new coach, Walter Nelson, at the helm, the program turned around. The team moved from the bottom of the MVC pile in 1987 to 3rd place in 1988 — a major accomplishment given the strength of the Merrimack Valley conference. LHS beat Billerica for the first time ever, and defeated Andover for the first time in twenty years. Mike Pepin broke the school's high jump record with a leap of 6' 3" at the State Meet. Both Mike and Dave LaMarre were named to the Lowell Sun All-Star Team.

RUNNING WILD

The girls' indoor track team went undefeated and captured the MVC crown for the first time since 1984. After playing the bridesmaid for three years, the girls clinched the championship with a win over Andover. Freshman Laurie Tucker shattered the league and school records in the 600. Along with her twin sister Lynn and Rosa Cruz, she was elected to the Lowell Sun All Star Team and the MVC All Star Team. Coach Jim McGuirk was named Coach of the Year by the Lowell Sun.

If someone asked you to sum up the hockey season in one word, the answer would be easy — consistency. There were a few close calls but the boys held tough and managed to come away with a perfect record. To put it bluntly, they got iced.

JUST DUCKY!

The boys' swim team (a.k.a. the "Ducks") got off to a flying start this year by crushing Lawrence and then the Voke, but went on to be shot, plucked and broiled over the course of the next six meets. Things looked grim for the Ducks, but they went down smiling, never forgetting how to have fun. The dark cloud was silver lined by some standout performances; Kevin Gauthier once again proved to be half man/half dolphin and left most of the competition in his wake; Captain Scrappers, Todd Gorman and Ray Gordon, shouldered their responsibilities well; P.J. Soucy, Ken Northrup and Francisco Maldonado finally turned some of that "potential talent" into actuality and the diving team had an excellent year. However, given the expertise of Henry Lisien, how could they not?

CHEERLEADERS

Taking a first in cheer at the Mass. State Division III competition, sponsored by the New England Cheerleading Coaches' Association, was just the beginning of the LHS cheerleaders' outstanding season. The girls participated in four competitions over the year and took a 1st place in each one. At the Holiday Tournament, they were awarded a 1st place trophy for best cheerleading squad for the sixth straight time. Next, followed a trip to Chicopee for the regional competition, sponsored by the Eastern Cheer Coaches' Association. Lowell lost the cheer contest by two points to a coed team from New York on the first day of the tourney. Right after this setback, the girls headed back home to root on the basketball team which was battling its way against Melrose into the quarter finals of the States. The cheerleaders then returned to Chicopee, totally exhausted, to present their routine for day two of their own tournament. Their classy dance routine dazzled the judges and LHS took first place with their dance routine. Special awards were given to individuals. Deana Desmarais received a gold medal for an outstanding performance and dedication to the team in cheer, while Renia Bacon took a gold medal for her excellence in dance. Shannon Moore was selected as an All-Star cheerleader. In the All-Star Division event, teams from Divisions I, II and III vied against one another. Lowell placed 3rd in this competition, defeating the coed team which had beaten them in cheer, only the day before. The last challenge of the year came in Springfield at a contest sponsored by the New England Cheerleaders' Association. This was an All-New England Open competition consisting of 13 teams for both cheer and dance. The girls took 3rd place in cheer and 1st place in dance. What a year!! Gimmee a C, gimmee an H, gimmee an E,..... Yay, cheerleaders!!!!

Softball

It was a disappointing year for the LHS softball team. The girls started out with a pre-season series with Fairhaven High. Lowell High won the first game by a score of 14 to 13 (a real pitcher's duel) but lost the second 7-2. Not until the seventh game of the season, against Billerica did the Raiders have their first victory. There were some outstanding individual performances. Cassie Thyne was selected as an MVC All Conference All-Star as well as a Lowell Sun All-Star. Ellen Netishen and Cindy Hernandez were MVC All-Stars.

Friday night games at Harry Allen ... the game against Methuen when Karen tried to start a little action

WHAT A RACKET

The girls' tennis team had a very good season, finishing 2nd in the MVC. Only arch nemesis Andover spoiled what would have been a perfect record. Lowell's teamwork and spirit were second to none, however. It is also safe to say that the Raiders were the only contenders in the Conference to have a triple threat in the form of triplets. LHS qualified for the State Tournament but lost to Westwood in the first round. Nancy Fontes and Sarah Woo were selected as Lowell Sun Doubles All Stars.

NO LOVE

The boys' tennis team had a spectacular year. They tied with Andover for the MVC championship, the only team to beat Lowell during the regular season. The Raiders qualified for the States and defeated Swampscott in the first round of the tournament. Gloucester ended LHS hopes of going further. Roger Landry, Scot Landry, Kevin Welch, Greg Landry and Sridhar Kalluri were selected as MVC All Stars.

GIRLS ON THE RUN

The Girls' Track team had a 3-4 season. Performances were better than this indicated. Four Raiders went to White Plains,, N.Y. for the Glenn Louck's Meet, competing against some of the best track talent in the Northeast. Heather simmons took 6th in the Javelin Throw and Rosa Cruz took 9th in the 2 mile event. Qualifying for the State Meet were Heather Simmons in the 200, Rosa Cruz in the 2 mile,, Lynn Tucker in the 800,, twin Laurie in the 400, Jacki Cox and Joanna Nelson in the 300 hurdles,, Julie Lord in the long jump and the 100, Caroline Camara in the mile, Lynn Farrell and Denise Morin in the discus. Laurie, Lynn, Heather and Jacki qualified to compete in the All-State Meet.

HIT AND RUN

The baseball season started off slowly but peaked with a six game winning streak toward the end of the year. LHS had a shot at the State Tournament but ran out of gas in the deciding game. Although every member of the team had a good batting average, its pitching staff was young and experience does help a lot at tourney time.

SCIENCE CLUB

The LHS Science Club boasted 230 members. Meetings were held on the first Tuesday of every month. Each meeting consisted of a business session and a science program. During the year, biology, chemistry and physics presentations were made by students in the advanced sections of the courses. One meeting was devoted to the PHYSICS MAGIC SHOW, another to films of the MIT Science Fair and a third to the Lowell High Science Fair. In December club members visited the Science Museum in Boston to view exhibits, attend the Planetarium Show and the Omni Theater. George Tucker, assisted by Soph Suth and Sridhar Kalluri, served as a disc jockey for the annual Christmas party which was held in the school cafeteria on December 16th.

The LHS Science Fair was held on March 22nd. Preliminary judging was done by the school science faculty. Finalists were selected by judges from Middlesex Community College. Prizes were awarded as follows:

Gerald Clark — 1st Prize

Joseph Jussaume and Dave Steward — 2nd prize

Todd Gorman and Jennifer McCall — 3rd prize

Jennifer Jacques and Stephanie Stickney — 4th prize

Colleen O'Keefe and Reshma Patel — 5th prize.

In April five advanced placement chemistry students participated in the American Chemical Society Regional Competitive Exam at Simmons College followed by a presentation on Nuclear Energy by Dupont. The year ended with an Out-to-Dinner Farewell Party.

STUDENT GOVERNMENT

Student Government was not only financially successful, but participated in many activities with great enthusiasm and spirit. Student Council President Kelley McCabe rallied in the face of adversity as tragedy struck student government faculty advisor advisor Helen Droney. The council went without an advisor for the remaining eight months of the school year. Kelley initially shouldered most of the responsibility, until other officers and faculty members helped with various endeavors. Everyone however, did more than his or her part and things came together quite smoothly. Most of the traditional student government activities were maintained this year — dances, candy cane and flower sales, movie nights, fall and spring blood drives, teacher appreciation dinner and the spring weekend. Enough money was made at these events to support the group's charitable ventures.Money was collected in the homerooms at Christmas time for the "Toys for Tots" project. Four carloads of toys were brought to St. Patrick's Church for distribution to needy children. A six hundred dollar donation was made to the Lowell House of Hope for battered and abused women and the Alternative House.Continuing this string of good deeds, $1,000 in scholarships was awarded to students for the first time.

At the end of the school year, the council united the entire student body to collect the $1,000 prize and to hear the June 14th concert with Richard Marx. This brought about a tremedous ending to a terrific year.

IT FIGURES

The Math League had an enjoyable year. Every meet was an experience and the members had an opportunity to interact with students from area schools. They also saw steadily improving scores over the course of the year. There were many challenging tests including the Olympiad, which added to the fun which can be had with math. Try it. You'll like it.

INTERNATIONAL LANGUAGE CLUB

The International Language Club opened the school year with a Fall Picnic to welcome new members and also launched a fund raiser through the sale of magnets. Modestly speaking, some of the best parties are hosted by this group. They present a gala Christmas Dinner featuring holiday food specialties from many lands, as well as traditional and international music and games. The breaking of the pinata highlights the evening. Chapter presentations are made on a regular basis, at which times each chapter's language is highlighted by a film, a lecture on customs or the country itself, and by ethnic refreshments. During International Language Club Week, members and their parents prepared a gourmet international dinner. Many of those attending wore costumes from foreign lands and danced to the music of those countries. Prizes were awarded for the best outfits. During this same week, the club actively participated in the "Hands Across the City" evening which was a well attended cultural and social sucess. A great debt is owed to Mrs. Claudette Boisjoly, the ILC advisor, who helped to make the year so pleasant.

LOWELL HIGH SCHOOL OFFICERS

Lowell High School Officers had another great year thanks to the help of new advisor, Micheele Ritchotte. The group of fourteen girls kept themselves very busy by participating in everything from school functions to civic events. The annual Harvest Dance was its usual success. At Halloween the officers sponsered "A Treat For Your Sweet" fund raiser. For $1.00 a bag of sweets was delivered to a friend or someone special during home room period, to keep everyone in a "Trick or Treat" mood!

From fall through spring, officers could be seen at many functions within the community. They were ushers at the Lowell Sun Spelling Bee, the Golden Gloves boxing matches, the Air Force Band concert, the Tour De Lowell bike race,,the Multi-cultural Experience, Freshman Orientation, and the Lowell High School Open House.

Added to the list of duties for the girls this year, was a new Volunteer Service Program. Any officer who had an extra study hall and wished to assist where help was needed, worked in the House Offices, the Guidance Department, the Nurses' Office, or on the switchboards. This program, initiated by Ms. Ritchotte, was of benefit to the entire school.

LOWELL HIGH SCHOOL DECA

DECA (Distributive Education Clubs Of America) is a co-curicular, co-ed club designed for students who are planning to further their careers in marketing, merchandising and management. This year DECA members throughout the country earned over $1.5 million in college scholarships and other awards. Several Lowell DECA members earned scholarships. During a local competition in February LHS vied against 9 other area schools to qualify for the State competition. Twenty one out of twenty nine Lowell students went to the state event. They captured second place, received 36 awards and sent 9 students to the National Competitions in Salt Lake City, Utah in May. One student gained national recognition by placing among the top 20% of DECA students in the country. Out of the 71 Massachusetts DECA members who went to Utah, LHS sent 9. This was quite an achievement for the school and one of the club's best years. John Mamalis served as advisor and the following students held office:

President — Joel Lee Pagliuca
Vice President — Thomas Rogers
Secretary/Treasurer — Scott Bordeleau

FLYING HIGH

The Lowell High School JRAFROTC unit had a most successful year. There were orientation flights on refueling missions with the USAF, field trips to Pease Air Force Base and the Military Ball at Windsor Mills. Col. Dave Taylor was welcomed to the staff and best of all, the male and female drill teams took second place in New England. Roberto Bolanos was honored at a special ceremony for saving a drowning child. The following students served as officers:

LHS SHOW CHOIR

After just two years of existence, the LHS Show Choir has come a long way. They placed fifth in the State competition, when prior to this time, they had only received an honorable mention. This performing arts group was led by three student choreographers — Senior Renee Bedard, Senior Heather Ratcliffe and Junior Todd Cunniff. There were also four dance captains — Freshman Kerry Quinn, Junior Melanie Kasiecki, Junior Joe Kirane and Senior Brendan Quinn. The group performed with great enthusiasm and dash at various functions and has been warmly received wherever it went. New costumes added to their appeal and appearance.

Grease

Grease is a 1950's Rock 'n' Roll musical. Rydell High's spirited class of '59 — gumchewing hubcap-stealing, hot-rod loving boys with D.A.'s and leather jackets and their wisecracking girls in teased curls, bobby sox, and pedal pushers. Capture the look and the sound of the 1950's in a whimsical, light-hearted musical that salutes the rock 'n' roll era. While hip Danny Zuko and wholesome Sandy Dumbrowski resolve the problems of their mutual attraction for each other, the gang sings and dances its way through such nostalgic scenes as the pajama party, the prom, the burger palace, and the drive-in-movie. "Look at me, I'm Sandra Dee" and "Greases Lightin'" are amoung the many songs that recall the Buddy Holly hiccups, the Little Richard yodels, and the Elvis Presley wiggles that made the music of the 50's unforgettable. Grease was one of the longest-running shows in Broadway history.

THE CAMBODIAN STUDENT CLUB

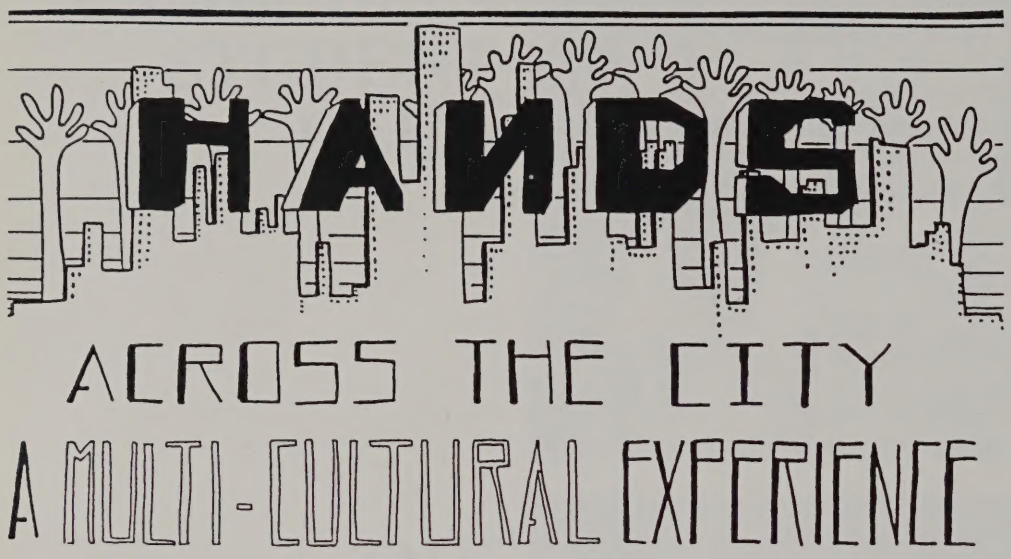
THE LAOTIAN STUDENT CLUB

THE VIETNAMESE STUDENT CLUB

The Cambodian Student Club had a most successful year. Through fund raisers, such as the sale of T-shirts and dances, this group financed an outstanding after school program. It supported four instructors who gave lessons in Cambodian history, language, music and dance. A boys' volleyball team was also sponsored, which played at LHS two afternoons a week.
During the Hands Across the City program, club members performed the traditional Coconut Dance. Club officers pictured on the opposite page are:Seated(l. to r.): Treasurer Vichoka Eng, Secretary Somaly Meas, Vice-President Bong Long, President Kimno Kuch
Committee chairmen: Kirirath Saing, Lim Horn, Eang, Bopha Dork, Korn Rom, Advisor Vanna Yang.

In one year of existence, the Laotian Youth Club has accomlished much. Its purpose was to give students a chance to become acquainted and to provide mutual support. With this aim in mind, the group met weekly on Thursday. They sold T-shirts and held four dancees. The funds raised, enabled club members to participate in many activities and field trips. Students visited the Museum of Fine Arts, the Museum of Science, the Boston Aquarium and the Omni Theater. They also enjoyed a weekend at Cape Cod and a party at the International Institute of Lowell.
Club officers, pictured on the opposite page are (l. to r.): Advisor Julie Ann Antonson, Treasurer Bounkiem Thongsophaphone, Vice-President Chay Chandaoleuang, Secretary Soukdara Thoumaraji, Treasurer Narong Nimsinok. Not pictured President Souksamlane Phangsa.

The Vietnamese Student Club had a busy year. It sponsored dances and sold refreshments to raise money. Proceeds from these events provided financial support for projects such as the making of the Dragon which was used in the Tet or New Year' celebration at the Leblanc School. Under the direction of Mr. Gia Pho, club members presented the Dance of the Dragon for the elementary school children. They also participated in the Hands Across the City program by presenting their traditional Dance of the Fans.
Club officers, pictured on the opposite page are: President Thanh Van Ho, Vice-President Thuy Thu Vo, Secretary Chau Bao Ong, Treasurer Sang Do, and Committee Chairmen, Hong Pham, Quyen Nguyen, Hai Linh, Phuc Tran, Duong Pham, Tam Cao, Thao Thu Vo.



The students, administration, faculty and parents at Lowell High School invited family and friends to join them for an evening of song, dance and theatre in HANDS ACROSS THE CITY, which took place on Thursday, April 14, 1988 at 7:00pm in the Lowell High School Auditorium. Because of the high school's varied cultures, the program represented many countries such as Portugal, Puerto Rico, Greece, Cambodia, France, Vietnam, Laos, and others. It also included the Lowell High School Chorus. Following the artistic presentation everyone was invited to the cafeteria where ethnic desserts and coffee were served. Prizes were awarded in various student and adult categories in the NATIVE DRESS CONTEST.

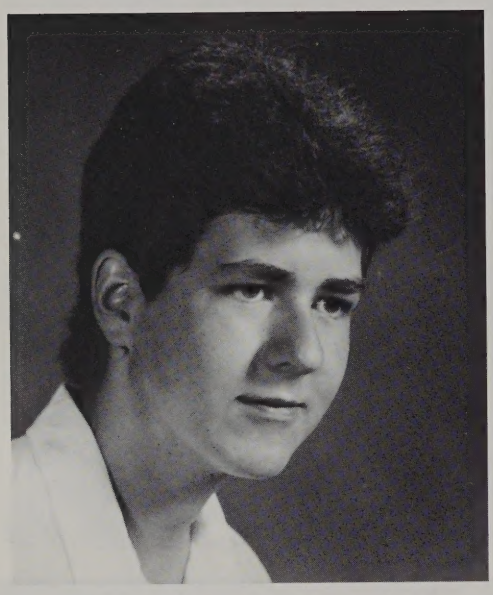
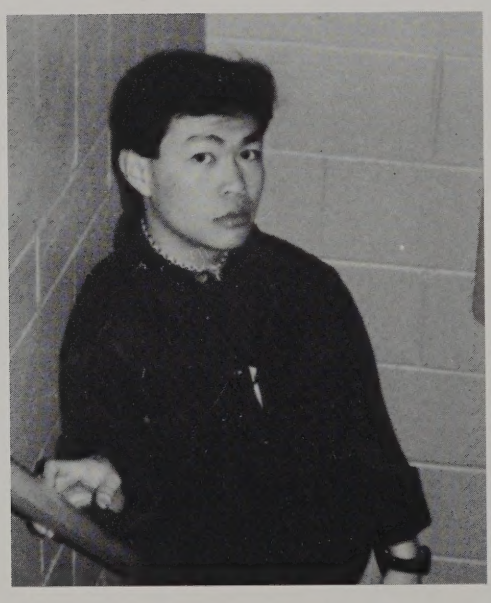
THE SPINDLE





We hope that you will enjoy your copy of the 1988 Spindle not only when you receive it, but for many years to come. In time, you might forget some of the happenings at LHS during your years at school. This book will serve as a reminder. The hair styles and clothes will be different — even a cause for laughter, but pictures of the good times, the sad times, the friends, the faculty and the activities will be there for you to look at. Thanks to editors Kim Burns and Scott Slates, associate editors Tin Hong, Renia Bacon. Marleen Paquette, and Diane Sylvester. Thanks for their help to Todd Gorman, Tony Duarte, Mike McKennedy, Lissa Morrissette, Lucas Carvalho, Jason Lefebvre, Abbie Reynolds, Erin O'Brien, Shaun O'Brien, Nancy Vail, Andrea Deveres, Peter Morin, Scott Orlando, Chriss Fortier, Debbie Nowak, Steve Feeney, Rachel Cohen, Paul Challender, Nancy Fontes, Roger Landry, Nancy Donohue, Rayanne Drouin, Heather Ratcliffe, Angela Eiben, Jonathan Clements, Gary Fryns and Shannon Moore. Thanks as Well to Mrs. Jackie O'Hare of the Art Department for her assistance. Congratulations to the Class of 1988. You were really one of a kind. It was a pleasure to serve as the Spindle Advisor.

RAYMOND A. SULLIVAN
HEADMASTER
LOWELL HIGH SCHOOL
1938 - 1975

Mr. Sullivan was born on July 29,1905 and died on May 25, 1988. His 37 years of distinguished service as Headmaster scanned five decades which saw the Great Depression - World War II - the Korean War - Sputnik - The assassinations of the Kennedys and Martin Luther King - Vietnam - the Nixon Resignation.
Through all the changes in history, societal values and mores - he kept the ship of education on a steady course!
